**CASTILLO WINE & LIQUOR STORE**  
DUDLEY SQUARE MAIN STREET

Castillo Wine & Liquors purchased and renovated a longtime business in the district upgrading the storefront, business layout and product selection. They've been a great help to the Dudley Square business district. Additionally, they give back by providing accounting support for Dudley Square Main Streets and donating to Main Streets and other community organizations in Roxbury and Dorchester. The owner is currently working on developing another building in the same block.
